4. Information and Discussion
  - a. **Winter Events**  
Outdoor event with City Impact planning has been cancelled due to weather. See [flyer](#) for current events. Open gyms have been very popular, indoor walking at Red Hawk has been as well. Jaime has been trying to gain interest in the Esports event but so far only 2 have signed up. Will probably have to cancel as the event is Friday.
  - b. **Adult Seniors Dance**  
Jaime has been working on setting up a community event to target seniors in the community. She is looking to put on a "Golden Era" Dance on 4/15/23. She has the Middle School secured for this date. She has talked with several retirement homes in town and there is interest. She will work on publicizing and getting word out.

**c. Daddy Daughter Dance**

Date has been set for 2/4/23. Tickets are on-sale. 217 people have signed up. Jaime has solicited volunteers to help from the NHS at CSHS. More help welcomed. Will begin setting up around 3:00 pm.

**d. Mother Son Nerf War**

Date is scheduled for 3/4/23. Tickets are on sale. 79 people have signed up. Looking for more volunteers to help with this event as well.

**e. ByLaws Changes**

Scott provided electronic copy of the current ByLaws last amended 1/16/20. Numerous changes have been highlighted. Alyssa will make corrections and send to board to proof before sending out to townships.

**f. 2023/24 Financial Contributions**

Currently, Solon & Algoma townships are contributing 7000 each and the City of CS is contributing 3500 in addition to Darla's accounting/payroll time. The non-resident fees seem to be making up the loss of Courtland and Nelson townships not contributing. Bank accounts are stable based on the cash balance. It is recommended that we seek the same contributions as the current model however, Jaime will reach out to Nelson and Courtland to see if there is any interest in returning as a contributing member.

**g. Baseball/Softball Registration Costs**

Baseball is planning on 3 teams and softball 1 team for this spring. Registration has been high in the past due to costs of the uniforms and other gear getting added into the registration fees. Jaime will look into trying to keep costs to a minimum for each player but also ensuring NKCE is covering all expenses. She will continue to work with coaches.

5. Board Member Scott Smith left at 6:23 pm
